

## Encourage Non-Screening States to Act Today on Newborn Screening for SMA!

	State-Specific Community Action Alerts	Cure SMA Letters to State Governors
	<i>Cure SMA has set up Action Alerts to allow residents of the below non-screening states to send personalized letters to state leaders in support of SMA newborn screening.</i>	<i>Cure SMA drafted and sent a letter to each state Governor outlining the important of newborn screening. Consider sending this letter with your personal story to your Governor, too.</i>
