- This activity is intended for healthcare professionals engaged in the care of patients with Spinal Muscular Atrophy.

Educational Objectives

After completing this activity, the participant should be better able to:

Clinical Care Session Goals include:

- Provide an opportunity for SMA health care providers across disciplines to share knowledge
- Facilitate collaborative discussions between health care providers to achieve improved care for SMA
- Foster clinical care research collaboration across all care centers
- Promote interactions between new clinicians and leaders in clinical care for SMA
- Promote conversations between families and patients living with SMA, clinicians, researchers, and industry partners
- Enhance multidisciplinary comprehensive care of individuals with SMA

Faculty

List faculty, with complete titles and affiliations (*coming soon*)

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly vetted and mitigated according to PIM policy. The existence or absence of COI for everyone in a position to control educational content will be disclosed to participants prior to the start of each activity.

The PIM planners and others have nothing to disclose. The Cure SMA planners have nothing to disclose.

Joint Accreditation Statement
