My name is Sarah,
Thank you for taking
good care of my
wheelchair. I know
that it is heavy. It
weighs almost 400
pounds!
I use my wheelchair
every day, all day
long. It is a part of
my life. I wish that I
could keep it with me
to ride in on the
airplane, but I am not
allowed.

So thank you for
taking care of it! I
appreciate your extra
care.
