

Clinical Care Session of the 2026 Annual Cure SMA Research and Clinical Care Meeting

Continuing Medical Education Information

General Information

- Cure SMA Clinical Care Session
- Wednesday June 24th, 2026 at Disney's BoardWalk Inn Hotel in Orlando, FL
- Jointly provided by Postgraduate Institute for Medicine and Cure SMA

Target Audience

- This activity is intended for healthcare professionals engaged in the care of patients with Spinal Muscular Atrophy.

Educational Objectives

After completing this activity, the participant should be better able to:

Clinical Care Session Goals include:

- Creating a collaborative platform for healthcare providers from any discipline to exchange knowledge and expertise to advance SMA clinical care.
- Facilitating partnerships and mentorship between emerging clinicians and established leaders in SMA to foster innovative research and the implementation of best practices in SMA care across healthcare organizations.
- Promoting collaborative, multidisciplinary approaches to enhance care and improve quality of life, while promoting collaboration with individuals with SMA, their families, and industry partners.

Points of Interest

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly vetted and mitigated according to PIM policy. The existence or absence of COI for everyone in a position to control educational content will be disclosed to participants prior to the start of each activity.

The PIM planners and others have nothing to disclose. The Cure SMA planners have nothing to disclose.

Disclosures Conflicts of Interest
